Business Trips Cost On Average...

$1,012
(USD) TOTAL

$684
(USD) PER FLIGHT

$247
(USD) PER NIGHT

Business travel is 66% more expensive per trip than leisure travel. Why?

Business travelers seek comfort and convenience on the road, while leisure travelers tend to place greater importance on price.

Source: U.S. Travel Association, 2016

Whether you are planning to travel for business or leisure make sure you are covered!

Don't be one of the millions left saying "I thought I was covered."
